Once passed the gate, stay to the left and make left turn toward Camp Aachen (you should see a sign that says Camp Aachen). Proceed to first intersection and turn right. After turning right, continue until second intersection and turn right. Proceed approximately 500 meters. The CATC Student Detachment Bldg (1142) is on the right side of the road.

If flying, Nuremberg (Nürnberg) is much closer to Vilseck than Munich (München), so Nuremberg is the preferred destination for flying to Germany (airport code: NUE). Nürnberg is also preferable as it is a small, uncomplicated airport. Students can rent a vehicle at the car rental facilities located at the airport.

Note: Return transportation. International military students are actively involved in training on their final day, in order to complete the entire program of instruction, do not schedule return plane flights departing from Nuremberg International Airport before 1800 or Munich International Airport before 1830. If you unable to book a return flight after 1800/1830 on the final day of training and your students must remain on Rose Barracks until the following day, your case will charged for an additional day of life support.
