Transportation

Students must arrange transportation to and from home station – they will not be picked up at an airport or from any other location. The village of Sorghof, Germany, can be used as a reference point to "Google" direction to Rose Barracks. Sorghof is right outside the main gate.

If flying, Nuremberg (Nürnberg) is much closer to Vilseck than Munich (München), so Nuremberg is the preferred destination for flying to Germany (airport code: NUE). Nürnberg is also preferable as it is a small, uncomplicated airport.

Taking a train from the Nürnberg airport is the easiest option to Vilseck. Ticket machines are located directly outside the arrival area with an escalator left of the machines (as you exit the airport) to the trains. Nürnberg subway (S-Bahn) has a station directly at the airport. Take the S-Bahn to Nürnberg main station (Nürnberg Hauptbahnhof abbreviated Hbf). The airport is the end of the line you so cannot get on a train going in the wrong direction—only option is toward the city center. **The approximate cost will be 50 Euros one way/100 Euros round trip**

Upon arrival at Nürnberg Hbf, take the train to Vilseck (the train line to Weiden) but ensure the train is scheduled to stop at Vilseck as some do not. Take a Regional Express (RE) train as ICE trains may not stop there. Students must hire a taxi to travel to Rose Barracks. If the required information to arrange post access was returned as requested, the taxi will be able to access the installation and take personnel directly to the Kristall Inn. If access information was not returned, the taxi will have to leave Soldiers at the Gate and they will have to walk (approximately 2 Kms).

Note: Return transportation. International military students are actively involved in training on their final day, in order to complete the entire program of instruction, do not schedule return plane flights departing from Nuremberg International Airport before 1800 or Munich International Airport before 1830. If you unable to book a return flight after 1800/1830 on the final day of training and your students must remain on Rose Barracks until the following day, your case will charged for an additional day of life support.
