## Reporting Instructions

---

### **Direction by Air:**

If flying, Nuremberg (Nürnberg) is much closer to Vilseck than Munich (München), so Nuremberg airport is the preferred destination for flying to Germany (airport code: NUE). Nürnberg is also preferable as it is a small, uncomplicated airport.

Taking a train from the Nürnberg airport is the easiest option to Grafenwoehr via Vilseck. Ticket machines are located directly outside the arrival area with an escalator left of the machines (as you exit the airport) to the trains. Nürnberg subway (S-Bahn) has a station directly at the airport. Take the S-Bahn to Nürnberg main station (Nürnberg Hauptbahnhof abbreviated Hbf). The airport is the end of the line you so cannot get on a train going in the wrong direction—only option is toward the city center. **The approximate cost will be 75 Euros one way/150 Euros round trip.**

Upon arrival at Nürnberg Hbf, take the train to Vilseck, it is on the train line to Weiden. However, ensure the train is scheduled to stop at Vilseck as some do not. Take a Regional Express (RE) train. **No Intercity Express (ICE) train stops in Weiden.**

Students must hire a taxi to travel to Grafenwoehr from the Bahnhof located in Vilseck. The taxi will be able to access the installation and take personnel directly to CATC Student Detachment Building (BLDG 1164) located in Camp Aachen.

**Driving Direction by Auto** (Use the village of Geismanskeller as a point of reference).

Driving towards GTA on B299.

Turn onto Am Gruderzentrum. Proceed toward Gate and continue the process to get thru gate six (6). Once passed the gate, stay to the left and make left turn toward Camp Aachen (you should see a sign that says Camp Aachen). Proceed to first intersection and turn right. After turning right, continue to second intersection and turn right. Proceed approximately 500 meters. The CATC Student Detachment Bldg (1142) is on the right side of the road.

**Note:** Return transportation. International military students are actively involved in training on their final day, in order to complete the entire program of instruction, do not schedule return plane flights departing from Nuremberg International Airport before 1800 or Munich International Airport before 1830. If you unable to book a return flight after 1800/1830 on the final day of training and your students must remain on Rose Barracks until the following day, your case will charged for an additional day of life support.

Any additional information required should be address, prior to student departure from country, to 7ATC IMT IMSO at the following:
